HIGH PERFORMANCE WINDOWS AND DOORS FEATURING BEST IN CLASS QUALITY, TECHNOLOGY, ENERGY EFFICIENCY AND CONTEMPORARY DESIGN

### Say YES to the YAWAL USA SCENIC WINDOW

The Scenic window brings together performance, beauty, options and a narrow siteline that allows you to enjoy more of the view and the natural light that comes with it. This is a modern window system that is perfect for many applications including both new construction and retrofit.

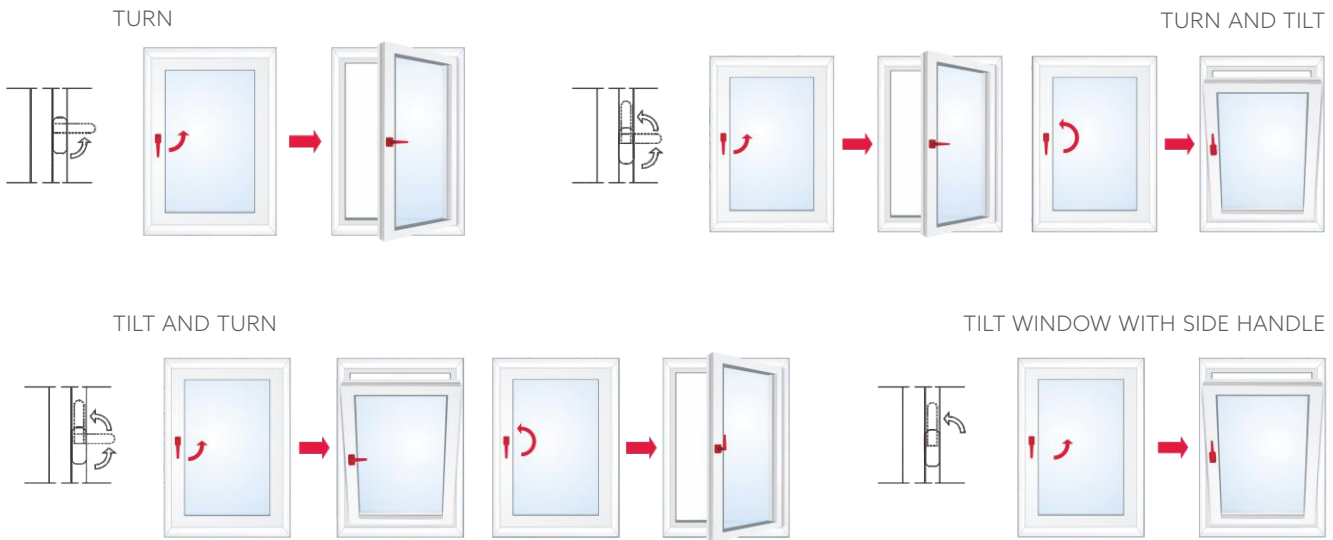

The Scenic window utilizes innovative technology to meet and exceed codes and guidelines and is also an excellent choice for someone who is environmentally focused. Many glass options are available to meet the aesthetic look of the designer/end-user and our custom frame finishes led by our realistic wood coating makes the Scenic window an excellent choice for architects, builders, dealers, and consumers. The operable Scenic is available in sizes up to 10 feet high, while the fixed version is unlimited by size restrictions.
