

BOLD & BRILLIANT

## DOORS PERFORMANCE™ 77

A door should do more than just open and close - it should set the tone for everything behind it. The Performance™ 77 does exactly that. Slim aluminum frames and advanced glazing technology ensure exceptional thermal insulation, acoustic comfort, and durability. Minimalist, elegant, and engineered for performance - that's the TM 77.

Forget keys - Bluetooth, fingerprint, and eye-scan access put control at your fingertips. Triple-glazed glass option, top-tier insulation, and ADA compliance make it a fit for both residential and commercial spaces.

## SPECIAL FEATURES

Automation: Bluetooth, eye-scan, fingerprint

Suitable for commercial and residential use

ADA Compliant

High security options

# OUR MISSION

WE PROVIDE THE HIGHEST QUALITY EUROPEAN ALUMINUM SYSTEMS WITH THE BEST, DEDICATED CUSTOMER SERVICE FOR THE AMERICAN MARKET

Since 1990, YAWAL has pioneered high-performance architectural aluminum systems, setting new standards in the European industry. What truly sets us apart is our complete vertical integration - from our own aluminum extrusion facilities to system design, full prefabrication, and dedicated technical support. This end-to-end control ensures unmatched quality and security while allowing us to deliver exceptional products directly to your door. Backed by over three decades of innovation and comprehensive service excellence, YAWAL USA continues to lead the industry with solutions that combine superior thermal performance with beautiful aesthetics, turning your architectural vision into reality with precision and care.

- EXPANSIONS AND TRANSFORMATIONS
- COMMITMENT TO SUSTAINABILITY
- INNOVATIVE BREAKTHROUGHS
