

BOLD and BRILLIANT. Say YES to YAWAL USA

PANO

WINDOW WITH THERMAL INSULATION

HIGH PERFORMANCE WINDOWS AND DOORS FEATURING BEST IN CLASS QUALITY, TECHNOLOGY, ENERGY EFFICIENCY AND CONTEMPORARY DESIGN

### Say YES to the YAWAL USA PANO WINDOW

The PANO WINDOW is the ultimate energy efficiency solution for your advanced window application. This beautiful and intelligent design features thermal insulators that drive performance to peak levels and includes limitless options including a stunning wood clad aluminum appearance.

The PANO WINDOW also promotes a superior occupant comfort benefit thanks to the capability of offering some of the largest openings (10 feet high for operable and unlimited for fixed) available on the market today - natural light at its peak! Plus this window can be utilized in a passive building or net-zero application as well.

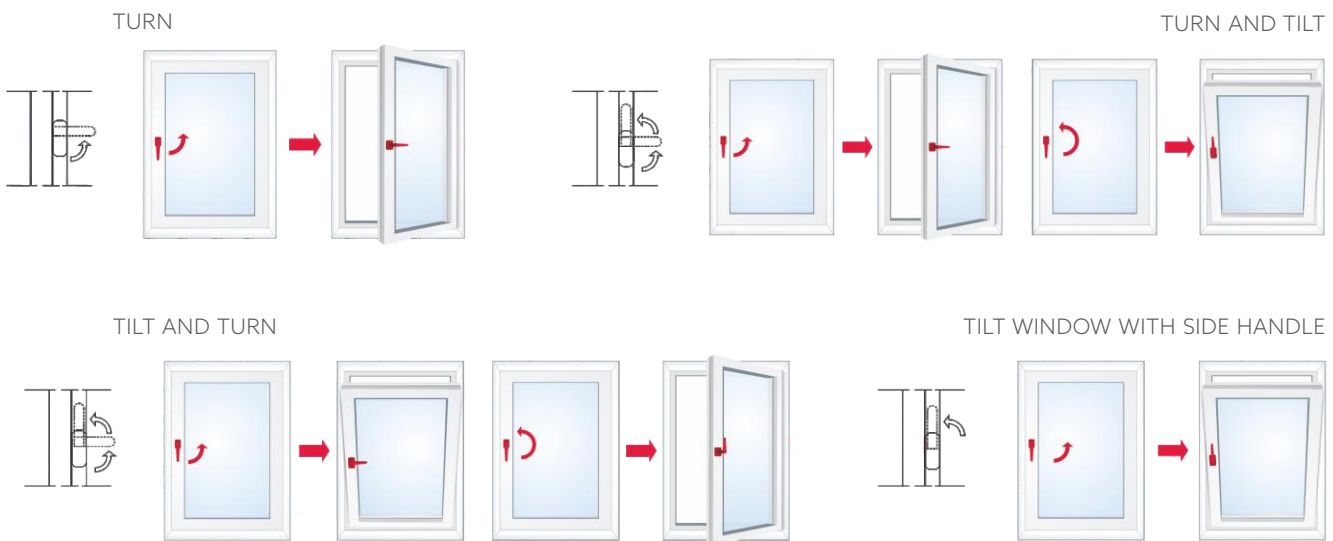

Years of experience and engineering has resulted in a window with excellent acoustic performance as well as air and water protection tested to the most stringent of codes and standards.
